Yuba-Sutter FC and Azzurri SC staff will lead twice per week, Monday & Wednesday. One hour sessions designed to maximize player touches on the ball in a structured setting emphasizing proper technique. Open to all skill levels, no playing experience needed. Players will be grouped by age and skill level.

Players learn to try new moves in a safe setting. The aim is to share excitement for the game while developing confidence to be creative players.

Yuba Sutter FC and Azzurri SC are dedicated to promoting the sport of soccer among the local youth and providing an out-let for players to train and compete. We are community based and committed to the individual player's development.

In order to do so we place emphasis on training that is appropriate for each player's age and ability level regardless of financial background. Our primary goal is the development of players from diverse back- grounds, into motivated performers. We strive to install the awareness that success can be achieved with hard work, discipline and dedication.
